# Commercial Wrap

**"Maximize Your Brand Exposure  
with a Commercial Wrap"**

A commercial wrap is a type of vinyl wrap that is used for advertising purposes. A design or graphic is printed on the vinyl wrap and applied to the vehicle, turning it into a moving billboard for your business.

**"PROMOTE YOUR  
BUSINESS ON  
THE MOVE"**

# Chrome Delete

## “Make a Bold Statement with a Chrome Delete”

Chrome delete is the process of removing shiny chrome accents from a vehicle and replacing them with a black finish. This gives the car a more sleek and modern look.

# Customs Wrap

## “Stand Out from The Crowd with a Custom Wrap”

A custom wrap is a vinyl wrap that is designed and created specifically for a customer's vehicle. This service allows customers to get creative and add their own unique touch to their car's appearance.

“**GET  
YOUR UNIQUE STYLE  
ON YOUR CAR**”

# Windows Tints

---

**"Enjoy  
Privacy and Comfort  
with Our Window Tints"**

Window tints are thin sheets of film that are applied to car windows to reduce the amount of light and heat that enters the vehicle. This can help to keep the car cooler, protect the interior from fading, and provide privacy.

**“  
PROTECT YOUR CAR  
AND KEEP IT COOL”**

# Powder Coating

---

Powder coating is a type of coating that is applied to metal surfaces, such as rims, to provide a durable and long-lasting finish. This service can add a pop of color to your rims and protect them from the elements.

**"Make  
Your Rims Pop  
with Powder Coating"**

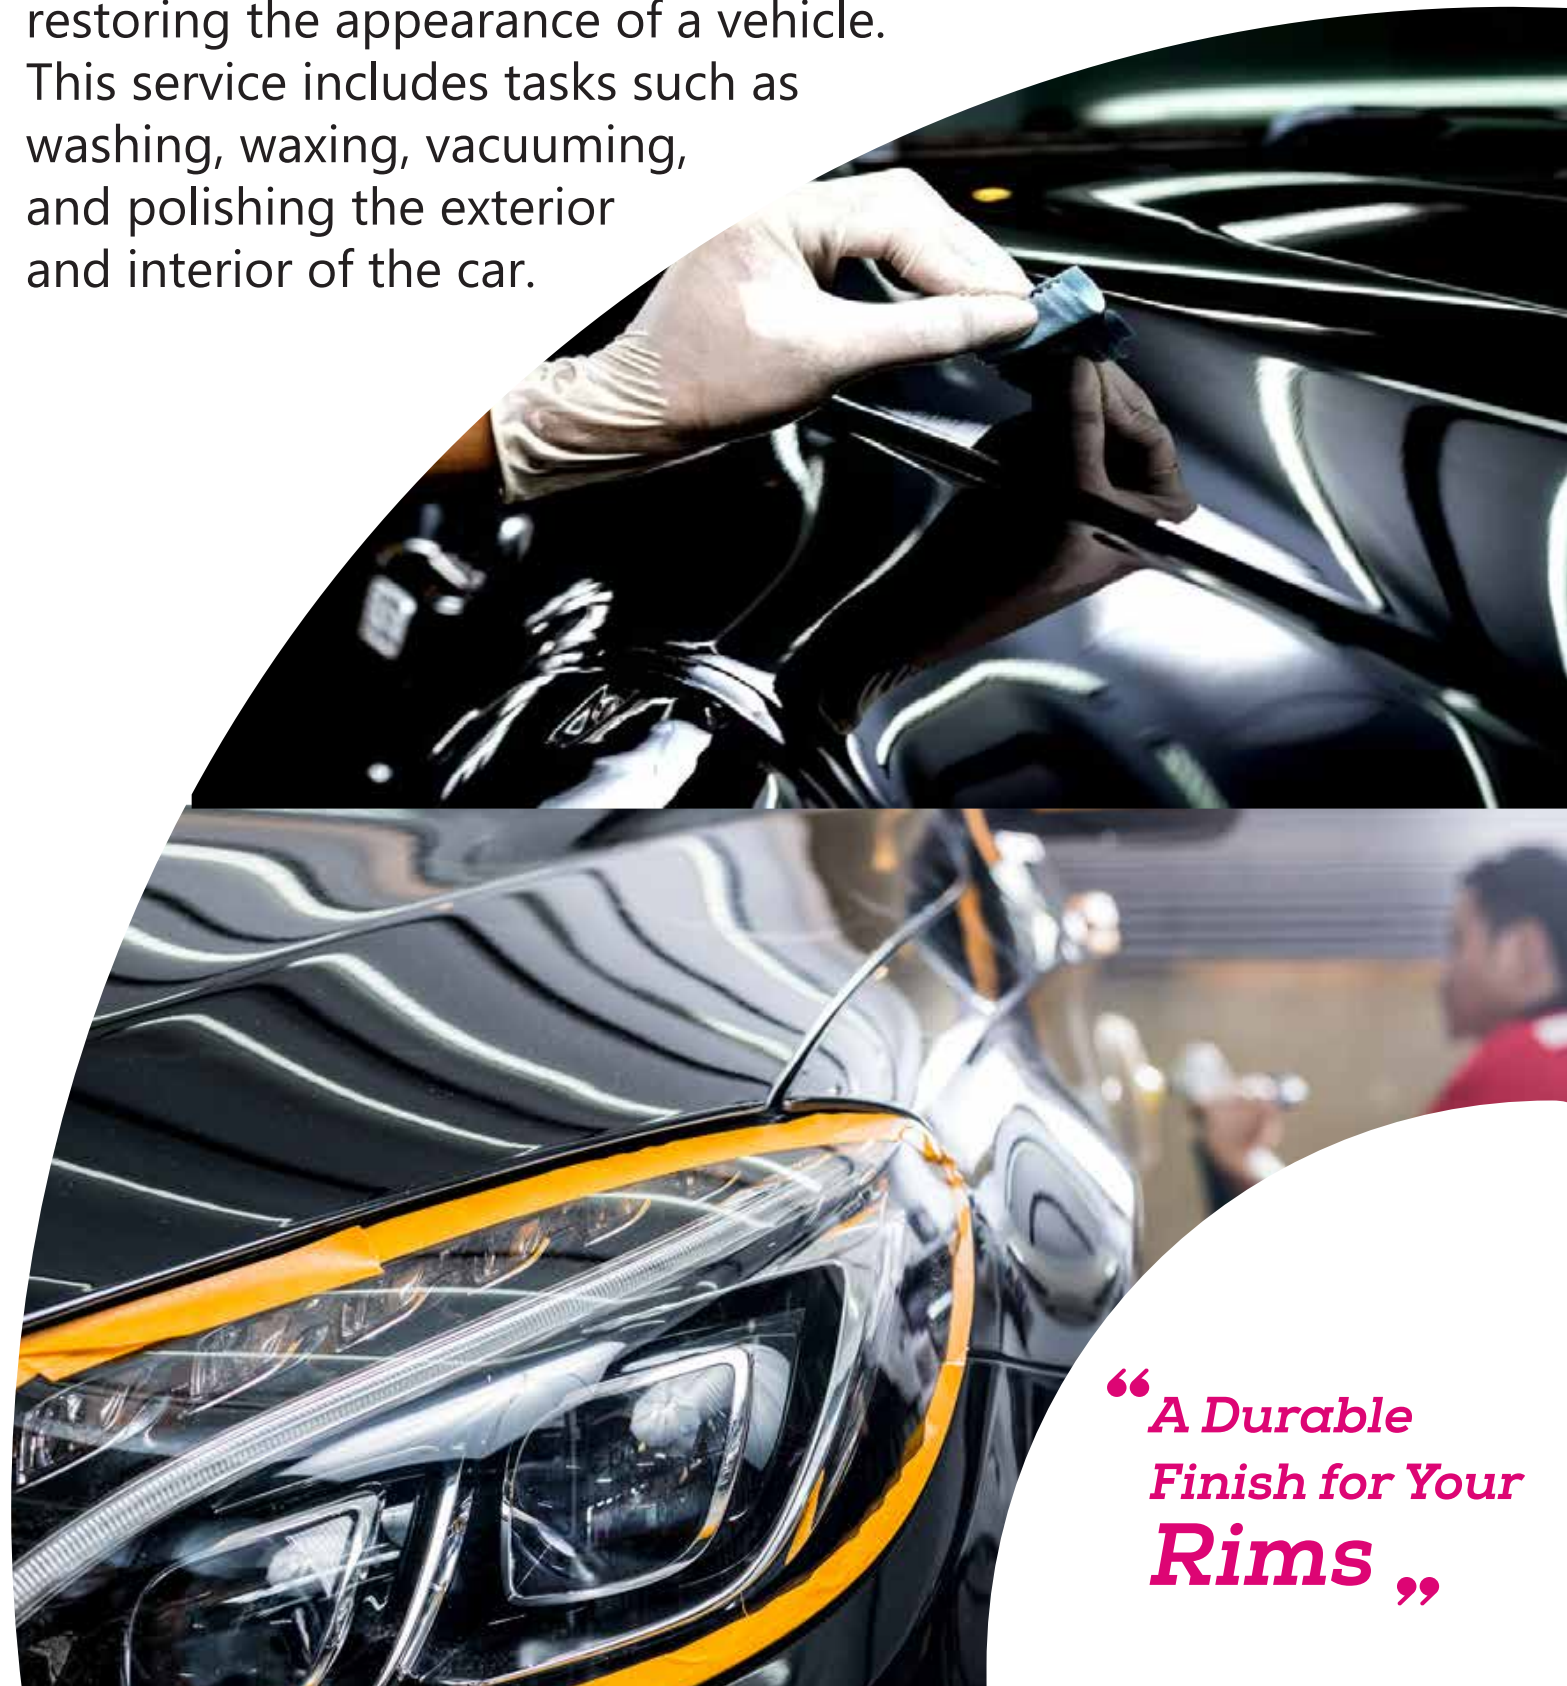

# Auto Detailing

---

**"Rejuvenate Your Ride with Our Auto Detailing"**

Auto detailing is the process of thoroughly cleaning and restoring the appearance of a vehicle. This service includes tasks such as washing, waxing, vacuuming, and polishing the exterior and interior of the car.
